 5/19 5th Grade Graduation
 5/23 Early out day- out at
 1:15 pm
 5/24 Last day of school- out
 at 1:15pm

Principal's Message

Dear Parents and Students,

I just want to thank everyone for their efforts with our "Read, Lead and Leave a Legacy" event. We are so proud of our students and so grateful to the sponsors for supporting them. We are making a difference in the world and it is special to be a part of! We raised over \$3,500 to provide books for students in the world that don't have any. Way to go Leaders!

Kindergarten and Preschool registration is going on now. Please come in at any time and register your child. We can't wait to meet our future cubs!

As we get closer to the middle of April, please be aware that end of year testing is right around the corner. This will include reading tests (DIBELS) for lower grades, SAGE testing for upper grades, Kindergarten assessments, etc. Please help your children celebrate a great year by making sure they eat breakfast, are getting enough sleep each night, and stay at school for the full day. Every minute counts and we appreciate your support.

Thank you for supporting your children and reading with them each night....it makes a difference. You are leaders!

Go Cubs!
 Mr. L.

SAGE testing is coming up for 3rd-5th grades! Want to know what kinds of questions they will see? Want your student to have some practice? You can log onto sageportal.org and click the 'Students and Families' tab. Here you have access to Training Tests that have sample questions. Please note that there are a variety of questions for a variety of grades. Just log-in as 'Guest'. There is also a tutorial tab that takes you to a page that shows how each type of question is navigated. If you have any questions, please give us a call!

We are now on Facebook, Twitter and Instagram!!!

Find us at [La Verkin Elementary Leaders!](#) #lvescubs @lvescubs
 Share stories with others at our school of how your student uses the 7 Habits!
 We want to hear all the amazing success stories out there!

Home to School Connection- What we are learning in April and what parents can do at home to help

Problems are only
opportunities in work
clothes.

~Henry J. Kaiser

The 7 Habits with these great books!

- The Berenstain Bears and the Bad Habit by Stan and Jan Berenstain
- Bread and Jam for France by Russell Hoban
- D. W., Picky Eater by Marc Brown
- Sam Who Never Forgets by Eve Rice
- Where Do You Think You're Going, Christopher Columbus? by Jean Fritz
- Lucy Mastermind by Alan Feldman
- Eddie, the Incorporated by Phyllis Naylor

Try this recipe at home

Cheesy Goodness Pasta

Serves: 4

Ingredients

- 1 cup pasta of your choice
- ½ cup real bacon bits
- 2 carrots, peeled & diced
- ½ cup frozen peas
- 8 oz American cheese (6 slices)
- ½ cup milk

Instructions

Heat water in a medium pot on the stove until it is boiling.
Add the pasta and the carrots to the boiling water and stir.
Cook the pasta with the carrots as long as the pasta package directions say, until the pasta is tender.
While the pasta and carrots are cooking, tear the cheese into bite-size pieces and set aside.
Drain the pasta and veggies and return them to the pan.
Add the cheese, milk and frozen peas to the pan and cook over medium heat until the cheese is melted.
Remove from the burner and stir in the bacon bits.

Kindergarten

Learning about numbers and measurement. Keep on Reading and Writing at home!

First Grade

Learning about measurement and time as well as 2-dimensional shapes and equal shares. Read, read, READ!!!

Second Grade

Learning about customary and metric lengths. Remember to read and return your take-home books!

Third Grade

Measurement, data and perimeter and area. Help your child find a book they might like for them to read!

Fourth Grade

Measurement and perimeter and area. Keep on reading! Help your child find a chapter book they might like to try!

Fifth Grade

Geometry and review math concepts for SAGE. READ, READ, READ!!!!!!
